Television’s  
viewer-nominated *Dining Guide***

**Owings Mills, MD**—Maryland Public Television (MPT) today announced *Great Sage* as winner of “Best Vegetarian,” category in the 2011 *MPT Viewers’ Choice Dining Guide*.

The 2011 *MPT Viewers’ Choice Dining Guide* recognizes the top viewer-nominated dining establishments in 22 unique and delicious categories, ranging from Maryland’s signature “Best Crab Cake,” to exotic cuisine such as “Best Indian” and “Best Middle-Eastern,” and even specialties such as “Best Beer Selection” and “Best Coffeehouse.”

The final results will appear in the *2011 MPT Viewers’ Choice Dining Guide*, a robust directory reflective of our region’s broad range in individual dining preferences and styles. Listing more than 800 viewer-nominated dining destinations across the Maryland region, it’s a handy reference to favorite places that area residents consider the very best dining establishments.

MPT congratulates *Great Sage* for its winning nomination as the region’s Best Overall dining establishment.
